Good Morning!

Welcome to another GREAT Day at church!

Welcome to the week after – we are still thinking of last weekend with our annual Missions' Saturday and Sunday.

Now, as we start this new Missions' year, let's pray and work towards a good year as our church continues fulfilling the 'Great Commission' – our 'Great Commission'!

- Pastor Andrew J. Rusnacko

The DIFFERENCE is Worth the Drive

"Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the LORD; and in his law doth he meditate day and night ... and whatsoever he doeth shall prosper."
(Psalm 1:1-3)

The CHURCH is Not Perfect, but ...

"The church is not perfect, but woe to the man who finds pleasure in pointing out her imperfections. Christ loved his church, and let us do the same.

I have no doubt that the Lord can see more fault in His church than I can; and have equal confidence that He sees no fault at all. Because He covers her faults with His own love – the love which covers a multitude of sins; and He removes all her defilement with that precious blood which washes away all the transgressions of His people."

- I Timothy 6:12

The Ministry of C. H. Spurgeon. "Better to offend your acquaintance than to lose your character and hazard your soul. – Spurgeon ... Do not be all sugar, or the world will suck you down; but do not be all vinegar, or the world will spit you out. There is a medium in all things, only blockheads go to extremes. We should neither fawn upon everybody like silly lapdogs, nor fly at all persons like surly mastiffs." (The Baptist Vision, April 1, 1998) –CDT

Too Many Translations. "We are flooding the market and in danger of causing confusion. The proliferation of Bible versions has meant that there is no longer a common translation from which everyone can recognize phrases." (Current Thoughts & Trends, June 1998) –CDT (This is just one more reason to reject these new versions. We also reject them because they come from corrupt manuscripts and are translated by liberals, or by people who have been influenced by liberal scholarship.
