Good Morning!

Welcome to another GREAT Day at church!

Let's rejoice in the Lord today, or as the song says,
"Come we that love the Lord, and let our joys be known".

It's good to see you at church again today!

- Pastor Andrew J. Rusnacko

"People are saved by believing Jesus Christ, they are lost by believing themselves."

Holiness of God – the Root of Ecclesiastical Separation. "And ye shall be holy unto me: for I the Lord am holy, and have severed you from other people, that ye should be mine." Leviticus 20:26 ... To grasp an accurate picture of the Triune God, acceptance of one basic fact is crucial. God is holy, separate from all defilement and distinctive in His purity. Among all His infinite qualities, God's holiness is paramount. Among all other things, He must be known as perfectly separated from the world as we know it, separated unto perfection as we do not know it. He is, and must be seen by man to be, separate." Souls are Won by 'Fruit'

"The fruit of the righteous is a tree of life; and he that winneth souls is wise."

- Proverbs 11:30

"Human nature will not be influenced by words without actions. The actions which make up a holy life are here called 'fruit'. When two men are at variance and hatred is deeply rooted, he who would be a peace-maker must be something as well as say something.

Words alone will not kill enmity – there must be correspondent deeds. This constituted our Lord Jesus Christ the great Reconciler – that he brought forth the fruits of holiness and self-sacrifice, and so gave weight to His words of persuasion.

So many souls have been won by Him because so much fruit was brought forth by Him. And all who would win souls must in their measure do likewise.

In this sense they must obey His injunction and be made partakers of His promise, "Follow me, and I will make you fishers of men." (Matthew 4:19).
