

You're
invited!

**This is Your Invitation to Attend
our Church's 44th Anniversary - May 7th**

Our church will be celebrating its 44th year Anniversary on May 7.

It was founded on the first Sunday in May 1979 by Pastor Andrew J. Rusnacko who still leads the church today. We want to invite you to be with us for this special Sunday. Each year it's our biggest attendance day and will include important Bible teaching and preaching and gifts for all.

It starts with Sunday School classes for all ages at 10:30 a.m. and the morning church service at 11:00 a.m. A nursery will also be available. *Consider this your personal invitation.*

If you have never been at our church before, this would be a good time to visit. If you have been receiving our church *NewsLetter* please now take the time to visit.

Bring your family and others with you to join in on this exciting day!

Your personal visit would make it even more special!

also, remember -
**Resurrection ('Easter')
Sunday services April 9th**

**What does Christ's
Resurrection
mean to You?**

"The Word of God plainly teaches the bodily resurrection of the Lord Jesus Christ on the third day, in accordance with Old Testament prophecy and our Lord's own statements before His death.

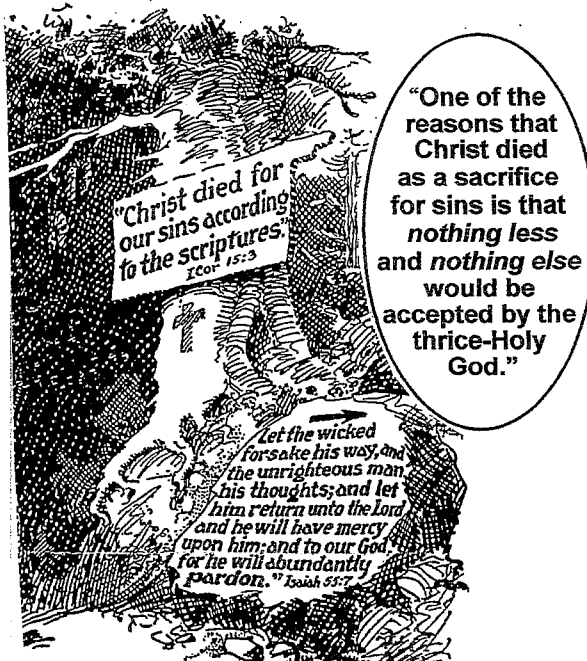

That some men question this truth in no way decreases its value or lessens its important. It merely reveals unbelief in their hearts. The bodily resurrection of Christ is fully documented. He was seen by many people under varying circumstances - by Mary at the tomb, by the disciples in the upper room, by over 500 brethren at once. He encouraged Thomas

to overcome his doubts by feeling the wounds in His hands and side. He partook of food in the presence of His disciples. Yes, the fact of the resurrection is well established. But is it nothing to us? What does it mean to you and me nearly 2,000 years later? Space permits mention of only two very vital things. First, the bodily resurrection of Christ assures the bodily resurrection of all who have accepted Him as Lord and Saviour, *I Corinthians 15:1-23*. Second, it assures the judgment and eternal punishment of all who reject Him, *Acts 17:31, John 3:16*. Christ must be every man's Saviour or their Judge!

According to *John 3:36 and John 5:24*, the choice is up to the individual. To the believer resurrection will become a glorious fact rather than a troubling doubt." - copied

To Pray 'In Jesus' Name'

"To pray then in the name of Jesus Christ, means simply this: That we recognize that we have no claims whatever on God. That we have no merit whatsoever in His sight, and furthermore, that Jesus Christ has immeasurable claims on God, and has given us the right to draw near to God not on the ground of our claims, but on the ground of His claims. And when we thus draw near to God in prayer, God will give us what we ask." - copied

Quotes

"Those who fear danger more than sin, will commit sin to avoid danger."

"Thoughts are words to God."

"Why is there something, and not nothing?"

"People become victims of what they want."

"The Seven Ages of Man: spills, drills, thrills, bills, pills, ills, wills

"How do you know something is true if it's not false-i-fiable?"

(... meaning when you can't show if it's not true. When there's no way to test - give evidence - that it might be wrong.)

"The Bible may be disbelieved, but it cannot be disproved."

"Who gave himself for our sins, that he might deliver us from this present evil world", *Galatians 1:4*

Pilate's Wife (*Matthew 27:19*)

"The tenderness and care of Pilate's wife in sending this caution ... to her husband, 'Have nothing to do with that just man'.

Note - God will not leave Himself without witness to the truth and equity of His cause ... God has many ways of giving checks to sinners in their sinful pursuits, and it is a great mercy to have such checks from Providence, from faithful friends, and from our own consciences; it is also our great duty to hearken to them.

'Oh do not this abominable thing which the Lord hates' (*Jeremiah 44:4*) is what we may hear said to us, when we are entering into temptation, if we will but regard it.

Pilate's lady sent him this warning out of the love she had to him.

Note - It is an instance of true love to our friends and relations, to do what we can to keep them from sin!

The best friendship is the friendship of the soul." - *Matthew Henry*,

Truth & Obedience

Only the Servants of Truth

"Before the Word of God can mean anything inside of me, there must be obedience to the Word. Truth will not give itself to a rebel. Truth will not impart life to a man who will not obey the light. If we are disobeying Jesus Christ we can't expect to be enlightened. You can fill your head with knowledge, but the day that you decide that you are going to obey God, it will get down into your heart.

'Ye shall know the truth ...'

Only the servants of truth can ever know truth. Only those who obey can ever have the inward change."

- A. W. Tozer, 'The Tozer Pulpit', Vol One, 'Revelation is Not Enough', p 20-22

The LOCAL CHURCH

"The 'church' is the focal point for all legitimate Christian activity and ministry. No other body or man-contrived organization or authority can Scripturally supplant, subsidize, or otherwise encroach upon the Lord's churches or their great commission to evangelize the 'lost' with the Gospel of Jesus Christ."

- Robert J. Sargent

'Principles of Personal Evangelism'

"Exalt the LORD our God, and worship at his holy hill; for the LORD our God is holy."

- *Psalms 99:9*

God's Commandments & Peace of Mind

"The Bible teaches that a peace of mind which leads to longer, happier living comes from keeping God's commandments. *A guilty conscience is a body-breaking load.* A good conscience is one significant factor which leads to longevity and physical health. And so, in a measure, *one's somatic (bodily) welfare stems from the welfare of his soul.* A close psychosomatic connection between one's behavior before God and his physical condition is an established physical principle."

**The
WHITE
ELEPHANT
Gift**

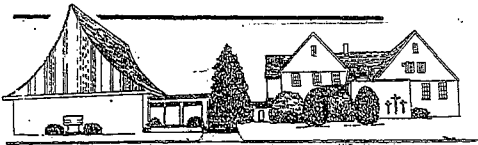

"Many years ago in Siam (Thailand of today), when a king wanted to bring down someone in his kingdom, he would give him a gift of a 'white elephant'. Since a white elephant was considered sacred, only the best of care and feed must be given to it. It could not be given away or sold since it was a gift from the king. The care of the animal eventually impoverished the king's enemy. So it is with the gifts of the world. They come to us as something very precious and unique, but once we have received them, they are almost impossible to get rid of and eventually bring us to our ruin. Are there any 'white elephants' in your life today that's draining you of your time, energy or wealth? And, especially if it is keeping you from being faithful to the Lord's work, Word or house?

CALIFORNIA Wildfires

Erased 16 years of emissions cuts.

"The raging California wildfires of 2020 created enough carbon emissions to offset 16 years of reductions through the state's green policies ... As of the end of the year, nearly 10,000 fires had burned over 4.2 million acres, more than 4% of the state's roughly 100 million acres of land."

Sigmund Freud

"Sigmund Freud died at the age of 83, a bitter and disillusioned old man who proved unable to sustain his friendships. He wrote in 1918, *I have found little that is good about human beings on the whole. In my experience most of them are trash.*" - copied

**CREATION - God's Image,
or EVOLUTON - Man's Image**

"CREATED MAN bears the divine image and has received from God the moral law and personal responsibility. He possesses as a personal being gifts of precious rights and freedoms from his Creator. These are all protected from government encroachment in the United States Constitution, the fundamental principles of which are firmly grounded in the conception of human nature and the moral law expounded in the Bible. EVOLVED MAN, in contrast, bears the image of his ancient animal ancestry, is subject to no external moral law, and is responsible only to himself. The only permanent law for evolved man is adaptive response to the environment for preservation of self, and, perhaps, of race. Since he is a product of his environment and has no eternal personal value, experimentation by government planners is acceptable for the solution of social problems. Since anarchy is really intolerable for everybody, progressive breakdown of the social order demands corrective remedial action.

The CREATIONIST sees that the key requirement for social order is that individuals have internal personal commitment based upon the sense of personal responsibility to the Creator and His moral law.

The EVOLUTIONIST, rejecting the idea of personal responsibility, seeks to preserve the social order or create a new one *by forcible psycho-social mind programming and/or external forcible police state controls upon behavior.*" - Robert Kofahl (1924-2009) *Evolution or Creation, "Foundation" Magazine, Volume 43, Issue 4, p 11*
